

Metro Beautification
2007-08 Custodian of the Year Nominee

Ronald Moore
Gra-Mar Middle School

Mr. Moore is an inspiration to our students and faculty members. He knows everyone on our campus and speaks to each child every day. He will laugh, listen, and joke with students, but when they need to be corrected or disciplined, he takes charge. (Principal)

He works day and night to ensure that our children have an opportunity to dwell in a clean and safe environment. (Teacher)

Mr. Moore is a good man. He is a good person. He is easy to talk too. He likes the people. We like him. (Student)
