

**Metro Beautification
2007-08 Custodian of the Year Nominee**

**Ralph Nolan
Jere Baxter Middle School**

If anyone ever wanted to know what it would be like to have a person who can multi-task, he or she needs to become acquainted with Mr. Nolan. He is simply amazing! Apart from the many responsibilities bestowed upon him as head custodian, Mr. Nolan wears many hats around our building. He is always upbeat, and he never seems to leave any job unfinished. (Staff)

I have the privilege of working at a school that has such a wonderful custodian as Mr. Nolan. He is usually the first person I see every morning, and he is always smiling and ready to take on the day! (Teacher)

Mr. Nolan cares about what is happening here in our building, and he is the ultimate picture of dedication. (Teacher)
