

Metro Beautification
2008-09 Custodian of the Year Nominee

David McGee
Glenn Enhanced Option School

David McGee presents himself in a professional manner and offers the assistance and suggestions to improve the general appearance and smooth operation of the school, in other words, he takes initiative for doing what is needed. (Principal)

He takes his position as a matter of pride in keeping our school spotless. (Staff)

I know that it might sound funny, but just think about running out of paper towels, or soap, or tissue while you are taking 20 pre-k kids to the bathroom. Couldn't that be a disaster? Well, that is something we never have to worry about here at Glenn. We have Mr. McGee on the job! (Teacher)

He cleans things nobody else will clean and does it with a good expression. You keep our school clean for us. Thank you so much. (Students)
